

MEDICAL RELEASE FORM

This is a required form for all White Mountain Dawg Barn participants receiving services.

First and foremost, the safety and well-being of your dog(s) is of the highest importance. Ensuring that your pet remains safe and well cared for is our first responsibility and as such we take it very seriously. We do our best to have our pet parents screen for pre-existing health conditions; however, some factors may be beyond our control. If a medical emergency arises while a pet is at our facility or participating in a service that we provide it is imperative that we are immediately able to get them medical treatment at **the closest available facility**. We will call ahead to the veterinary offices in closest proximity geographically to us to ensure they can handle the emergency present. Your pet will be rushed to the closest available facility for treatment, and you will be notified. We notify the owner after we have secured a medical treatment center for the animal to avoid delays. Our goal is to get your pet medical attention as quickly as possible. For that reason, it is a requirement to have our pet parents sign this form.

I acknowledge that WMDB is not trained in veterinary care and cannot diagnose/determine/recognize illnesses/Injuries that are occurring/have occurred/will occur with my dog(s), therefore I hold WMDB harmless and not liable for any medical problems my dog(s) have acquired. I understand that in the event of a medical emergency that White Mountain Dawg Barn, at its sole discretion, deems to need the immediate attention of a licensed veterinarian, I authorize White Mountain Dawg Barn to seek medical attention at the closest available veterinary facility. I further agree that I am financially responsible for any medical treatment my pet(s) receives because of a medical emergency while attending services provided by White Mountain Dawg Barn.
